## Specialized Habilitation

---

We provide free nutritious meals (breakfast and snack) as well as a myriad of services and activities that are tailored to offer support to increase mobility, decision making, consumer skills, relationship building, and communication skills as outlined in each client's Service Plan (SP).

We plan a variety of weekly social, recreational, and educational activities that can be modified and adapted to meet the individual needs and interests of our clients. As such, we offer various trivia and word games, as well as visual matching, and other sensory stimulating activities.

In addition, we offer daily stretching, range of motion, and light resistance exercises combined with physical activities such as balloon volleyball, scarf juggling, yoga, Tai Chi, and dancing. Our clients have an opportunity to participate in discussions, karaoke, parties, and other games to provide socialization. Other activities include but are not limited to: arts and crafts, video gaming, cooking and baking, pet therapy, gardening, field trips, birthday and holiday celebrations. In addition, clients can meet new people and build friendships.

## Supported Community Connections

---

Our goal is to improve the lives of our clients by fostering a sense of connection and belonging to the community. Thereby, we provide daily opportunities for clients to take part in community based activities such as community education and training, recreational and volunteer activities.

We offer opportunities in which clients can learn or improve upon skills such as beginners sign language, basic: reading/writing/math, and social enrichment. As well as, independent living skills such as cooking, home maintenance, self-defense, and skin care. Creative expression such as acting, seasonal arts and crafts, and dance is also available. As well as, personal enrichment: relationship skills, music and art appreciation, internet usage and etiquette. In addition, clients are also able to partake in recreational outings such as swimming, bowling, sight-seeing, fishing, attending sporting events, and so much more.

## Transportation

---

We are a service-oriented company that provides reliable and professional door-to-door non-medical and non-emergent medical transportation services to the elderly and disabled. Our goal is to make sure that our clients get to their destination safely and on time - every time. Our staff treats all our clients with respect and courtesy. Each driver has a clean driving record and has completed a company standard defensive driving, CPR and first aid training.

We provide transportation to:

- Medical and Non-Medical Appointments
- Social Outings
- Shopping/Errands
- Day Program
- Parties and Special Events
- Airports/Hotels
- Religious Services
- Restaurants
- Funerals
- Physical Therapy
